I have to finish her off if I am going to get out of here.

Monster or not . Undead or not It's just a girl for God's sake !

Fine, take the money and I am getting the hell outta here !
Who cares whether she's a witch or..
Who's that kid ?!
Hr. looks like he'll be about to cry And the bandages ?!
That with .. What has she done to that kid now ?!?!
I cannot believe this ...
가가가가...
So if bringing back a dead girl wasn't enough, she even tortures an innocent boy like him ?!
CALLING

And your wardrobe

Something must have happened

.....

Ah...
Th...lord of Mordre.
Aaah, pard a vart
...!!

Oof he... look for the
ding'd
Wolvre in the child
right now ?!

.....

He failed to recognize me.
It was probably due to the
effect of Batrachia.

On that day, he was of Mordre,
meaning there was no way he could
have avoided the catastrophe
he is like us.
That is enough, Aaronne.

He possesses the eye of
Batrachia. He will regain
his identity and powers

But that is not my concern right now
What has happened to the child.
I demand to know

You cannot hide
truth from me

!

Then why have you sent him away ?!

I showed mercy and allowed you to stay with him in Marche ...

Mercy ... ?!
Did you really think you showed mercy ?!

This place was hell ! For him and me ... for both of us, this place never gave us peace of mind !

All I could do for the little and pitiful child was blatantly abandon him !

If the prophecy was indeed true, and his body was taken away from him ...

I would have to kill him !

I thought I was prepared. But I am his mother...

I had to lie to him everyday and treated him like he was garbage !

Whenever he'd look at me with tearful eyes, do you have any idea how much that hurt me ?!

Slapping him when he was close to tears...

Do you really have any idea what I had to go through ?!

I gave birth to him and I've yet to hug my child.

How could you ... say that it was for me ?!

... Look at us now.

Look what we've done to our child just to escape from the prophecy.

You took his hands and an eye away from him and I tried to bury him in complete isolation.

...

Is this ... Is this really for the humanity ?

I am more afraid that I am turning into a monster !

What's the point of trying to save the world when I can't look after my own child.

... What would be the point as a parent ?!
